1. INTRODUCTION

SAVERA is a Non-Governmental Organization, was founded on September 23, 2000 with a few likeminded enthusiastic and committed personalities from various walks of life including academicians, journalists, social activists with main objective to promote holistic development of the marginalized and vulnerable communities, particularly those who stayed behind, neglected, exploited and unable to educate themselves in the rural areas of Bihar, Uttar Pradesh, Uttarakhand, Jharkhand, West Bengal, Odisha, Delhi and Himachal Pradesh.

SAVERA is registered under Societies Registration Act XXI of 1860 from GNCT of Delhi with all India Level and also registered under Section 12AA & 80G of Income Tax Act from Govt. of India.

SAVERA believes that improvement of under-developed and under-privileged rural communities is largely related with augmenting the capability of vulnerable groups of rural society like women, scheduled caste/tribes, poor students and other marginal groups. Knowing the fact that most of these groups are uneducated, unaware of their legal and constitutional rights and are living in the most destitute conditions, we had to focus on two resolutions (i) educating of rural people about their social, economic and political rights and (ii) bringing positive and long changes in the lives of rural people through implementing various socio-economic welfare programmes.

In past 22 years, SAVERA is involved in various types of educational and awareness programs, socio-economic welfare programs and also imparting new ideas through knowledge based empirical research, surveys & innovation on various socio-economic issues. SAVERA is primarily working in the field of Health & Family Welfare, Consumer Protection and Consumer Welfare, Micro finance (SHGs), Housing and Poverty Alleviation, Livelihood Programme, Agriculture, Animal Husbandry and Environment & Sustainable Development.

Being a grassroots level organisation and having vast experience in implementation of various Government and CSR projects, SAVERA works in close collaboration with Central and State Govt. departments at different level and also involved in CSR Schemes of several PSUs like REC, NTPC, GAIL, HPCL, ONGC, BPCL, Ujjivan Small Finance Bank Limited etc. The organization is actively involved in area of regeneration of traditional industries through various approaches for its sustainable development and create sustainable livelihood.

2. OBJECTIVES

The broad objectives of SAVERA is to enable the under privileged population of the society especially in Rural Area to attain in self-reliance in their social and economic development and to create awareness and empower. SAVERA's social mission is to achieve the social empowerment for overall development of the society.

Social justice and empowerment and capacity building have been promoted all among the underprivileged sections of society. Since the formation of SAVERA, it has headed, to plan and create those atmosphere and conditions that enable people, in both rural and urban areas, to become self-reliant, participative citizens and partners in the larger process of social reconstruction. The major objections of SAVERA can be summarized as:

- To provide medical and educational aid to the poor people, especially women, children and aged.
- To universalize literacy through formal and informal education.
- To promote employment and income generation activates by the different means of small-scale industries handloom, handicrafts and petty trading
- To create awareness among the people on organizational development on legal issues by promoting grass root level-based groups of people in the operational area
- To ensure development of infrastructure such as road, electricity, water, communication etc. within the operational area.

- To encourage the youth to handle with the changing norms and values of society and to cope with these changes and there by create a nation of healthy youth in all means.

3. OUR MISSION

We promote and support in improving the living standard of marginalized section of society by implementing different programs with newer techniques and realistic approach of Sustainable development strategies especially in Education, Health, Livelihood development and Environment protection.

4. WHAT WE DO

SAVERA focus on a wide range of social, humanitarian, and environmental issues, often addressing areas like Livelihood through skill up gradation, Environment sustainability, Education by providing infrastructural resources for building better environment toward quality education, Social welfare and protection, Youth empowerment by various approaches and Health & Nutrition.

5. OUR STRATEGY

- ✚ SAVERA strives to improve the quality of life of the rural poor by strengthening their existing livelihood programs, initiative new activities to diversify and increase their income.
- ✚ To develop community owned and managed institutions to sustain the livelihood activities
- ✚ To develop well trained and highly capable local service providers to provide timely support to the members
- ✚ To develop community-based models for natural resource management in order to protect and use the resources for sustainable development
- ✚ To work in collaboration with the government and the industry along with non-government domestic and international development organizations

6. MAIN OUTCOMES

9. SAVERA 'PARTNERSHIP IN DEVELOPMENT'

i. SFURTI Scheme: Jute & Banana Natural Fiber Cluster Purnea

In aspirational district Purnea, SAVERA as an implementing agency working with Ministry of MSME, Government of India for the development of Jute and Banana Fiber Cluster under the Scheme of Fund for Regeneration of Traditional Agencies (SFURTI). The Common Facility Centre for the same has been established at Uphrali, Purnea. There are 1000 artisans associated with this cluster. This project under SFURTI has sanctioned to SAVERA on 15th July, 2020 to develop Jute and Banana Natural Fiber Cluster Purnea for five years. Under this project various activities performed in 2024.

Objectives:

Jute and Banana Natural Fiber Cluster is under the Scheme of Fund for Regeneration of Traditional Industries (SFURTI) envisages development of clusters to:

- i. provide employment to artisans and entrepreneurs,
- ii. improve competitiveness through skill and technology enhancement,
- iii. improve marketability of products and
- iv. for their long-term sustainability

Scope of work – Following interventions are to undertake to develop the cluster.

- Soft Interventions – Organize training, workshop and capacity building to upskill artisans.
- Establish CFC under – Construction of Common facility Centre
- Establishment of Raw material godown – Construction of godown for raw materials.
- Establishment of Display centre / Sales Outlet/ Market linkages.
- Handholding Support to SPV.

Outcome - Beneficiaries: 1000 artisans were associated with Cluster. Most of artisans are women. They are from Schedule Caste, Backward Caste and Extreme Backward community background.

ii. Swacch Jal Dhara: RO Purifier Installation in Primary Schools

NHPC and ONGC under its Corporate Social Responsibility joins hand with SAVERA by sponsoring “installation of RO Machines at Schools in Gorakhpur and Bhadohi Parliamentary Constituency, Uttar Pradesh to make available safe drinking water for school children. The MoU between NHPC, ONGC, NTPC, Oil India Limited and SAVERA for the same to install 90 RO Treatment Machines in Government schools where most of the under privileged children come from different part of rural areas.

Objectives of the project

- To improve access to safe drinking water for children
- To focus on raising awareness and changing behavior around WASH (water, sanitation and Hygiene) related issue among children.

These are the following 12 schools where RO water Treatment Machines are installed.

Project Out come

‘Swacch Jal Dara’ Project with installation of 90 RO treatment plant in higher secondary school 1.10 Lakhs children in across the 90 Government shools has been benefited by making access of safe drinking water during school time where water contamination was acute problem. Either Children had to carry water from home or they used to drink contaminated water that was affecting their health. The school principle says that “enrolment in next session will get increase as safe drinking water has been assessed in the school”

iii. Bhatgama Mahotsav 2024: State Level Women Kabaddi Championship

SAVERA organized cultural cum sport events at Bhatgama in Madepura district of Bihar.
